

Production Specialist - Baker

COMPANY PROFILE

To Your Success (TYS) was established in 1998 with the core belief that delightful customer experiences are the key to success for any company or organization. Being in the corporate gifts business, TYS receives orders for freshly baked cookie gifts from companies all across the country, as a way for the companies to say "Thank You" to their customers.

The gifts are baked and packed at the TYS facility on Acworth Due West Rd. in Kennesaw (not far from North Cobb High School and North Cobb Christian, for reference). The unexpected gift of food creates a relationship-building moment between the company and their customer, and inspires customer loyalty.
